# ABOUT US

**Naga Welders is initially founded in 1970 named as “ Sugumar & Co ., having decades of experience in the field of welding equipments, controls and project consultancy. We introduce ourselves as leading manufacturer of resistance welding machines with various categories. We have good setup sources , qualified & Experienced personnel based in Chennai and also have good servicing setup providing better support to entertain our valuable customers. We are indulged in providing good suitable machines to our customers in the filed such as S.S Utensils, Automobile components, Sheet metal works, Switch gears and Rail coaches, Defense industries, etc.,**

**Also we are well-versed in providing other kinds of welding machines like Laser, TIG, MIG, Stud and SPM's like Plasma Cutting, Jigs & Fixtures and other required automations to fulfill our customer's requirements.**

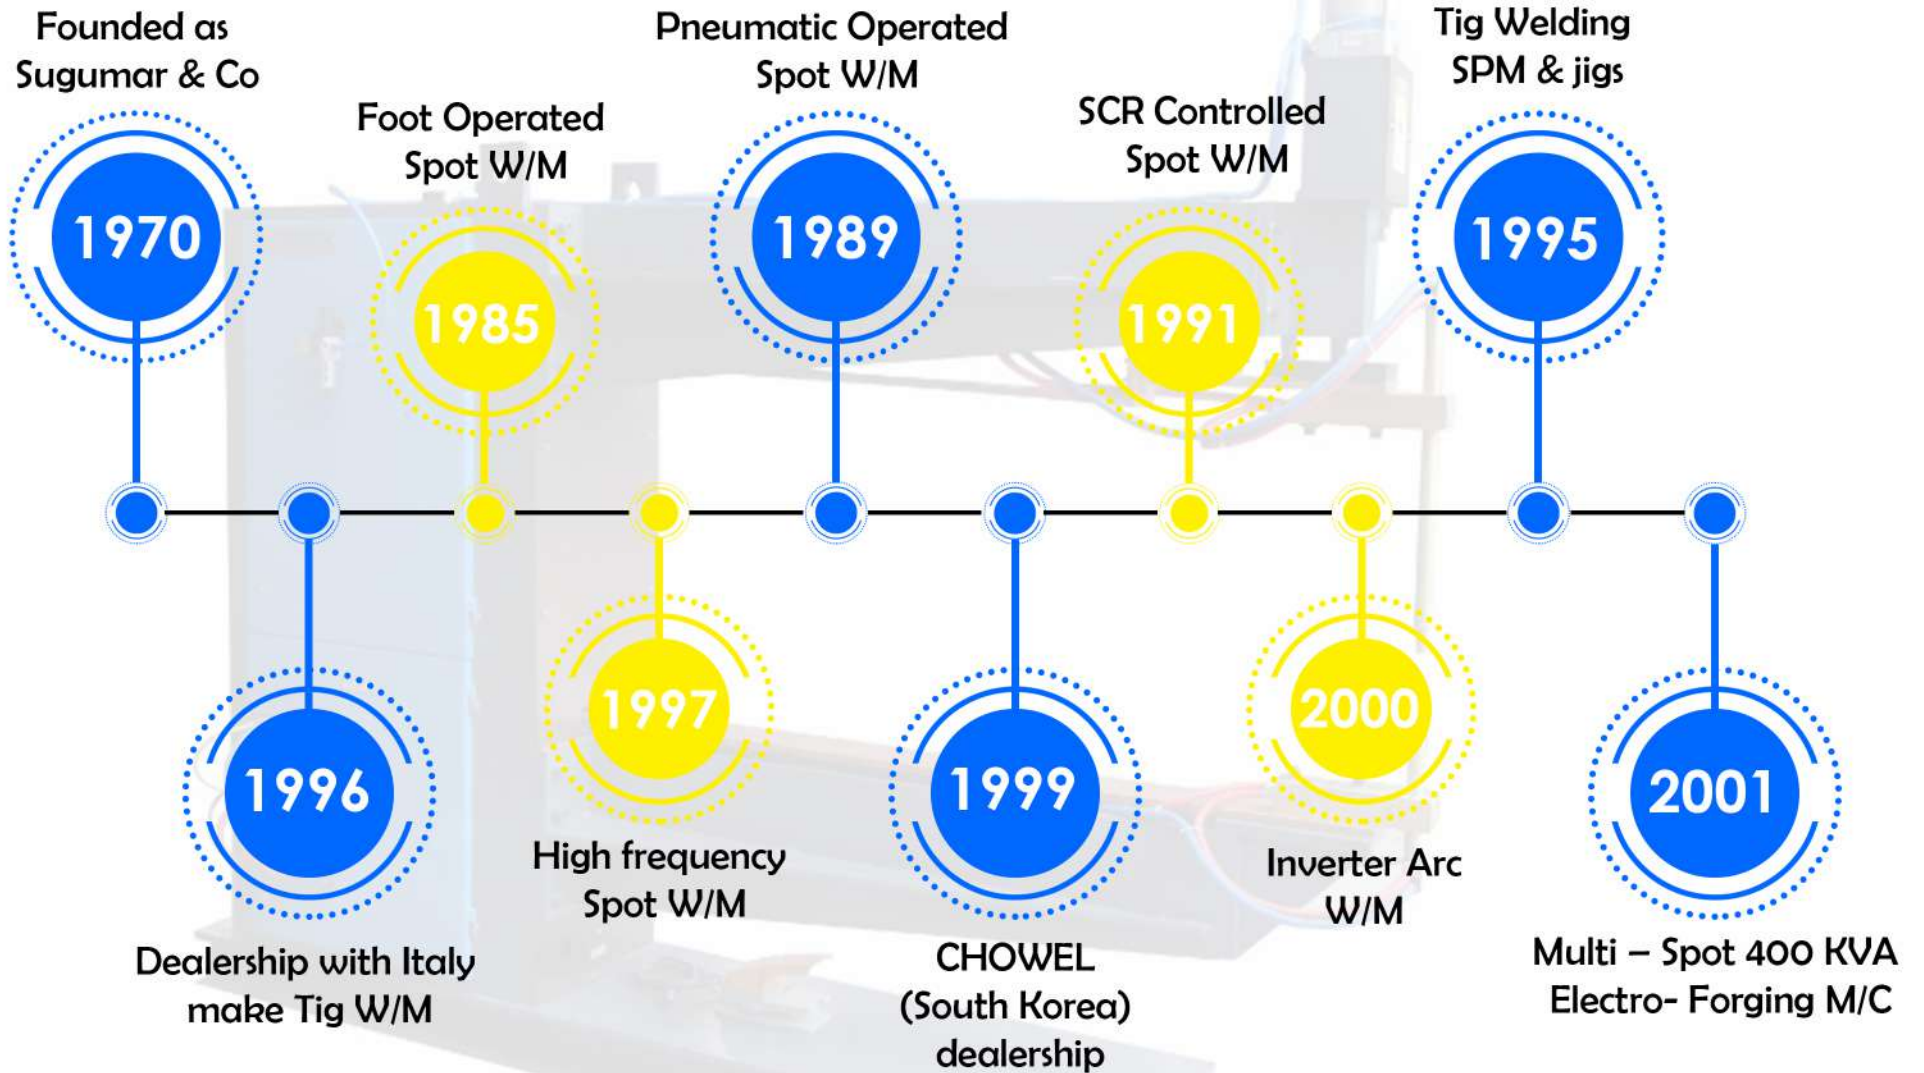

# PRODUCT PROFILE

**Since we have decades of experience in this field, having various kinds of resistance welding such as Spot, Seam, Butt, Projection welding, Micro spot, Capacitor discharged welding & 3 phase MFDC Resistance welding machines and Battery Tab Spot Welding.**

**Machines range from 1 KVA to 800 KVA. These machines are used in the manufacturing of Automobiles, kitchen utensils, sheet metal works, etc., and the materials can be welded are S.S, M.S, Ferrous content materials, Brass, Copper ( Brazing ), Nickel, Titanium.**

**Our machine provides Productivity, Quality, and reliability with all required safety standards.**

# OUR PRODUCT LAUNCH TIMELINE

Multi Projection welding  
for Leading  
Automotive Industry

Dealership with  
MIYACHI ( Japan )

Dealership with  
BOSCH REXROTH

PLC Based Linear  
TIG Welding  
for Home Appliances

3 Phase side wall  
Multi-Axis  
Spot Welding  
system for Railways

Heavy Duty Robotic  
7 Axis Spot Welding  
system for Railways

Laser Welding Machine  
for Railways

Gantry Roof Robotic  
Mig Welding System  
for Railways

Heavy Duty Gantry  
5 Axis Roof & Sidewall  
Spot Welding system  
for Railways

Laser Cutting  
Machine

# OUR PRODUCTS

- 
- SPOT WELDING M/C
  - PROJECTION WELDING M/C
  - SEAM WELDING M/C
  - MULTI-PROJECTION M/C
  - AIR PLASMA CUTTING M/C
  - SPM FOR TIG, MIG, & SPOT WELDING M/C
  - AC WELDING CONTROLLER
  - PORTABLE ( IT GUN ) SPOT WELDING M/C
  - 3 PHASE MFDC RESISTANCE WELDING M/C
  - AUTO GRATING WELDING SYSTEM [ELECTRO FORGING]
  - ELECTRODES ( STANDARD & CUSTOMIZED )
  - COPPER FLEXIBLE SHUNT LINKS.
  - AIR PLASMA CUTTING M/C
  - LASER MARKING M/C
  - LASER WELDING M/C
  - LASER CUTTING M/C

# OUR SERVICES

Fix Up Service For:

- **STUD WELDING M/C**
- **INVERTER MMA/TIG WELDING**
- **INVERTER MIG/MAG W/M**
- **SCR BASED MIG/MAG W/M**
- **AIR PLASMA CUTTING M/C**
- **MIG BRASSING M/C**
- **BOSCH REXROTH MFDC TRANSFORMER & CONTROLLER**
- **MIYACHI SPOT WELDING TIMERS**

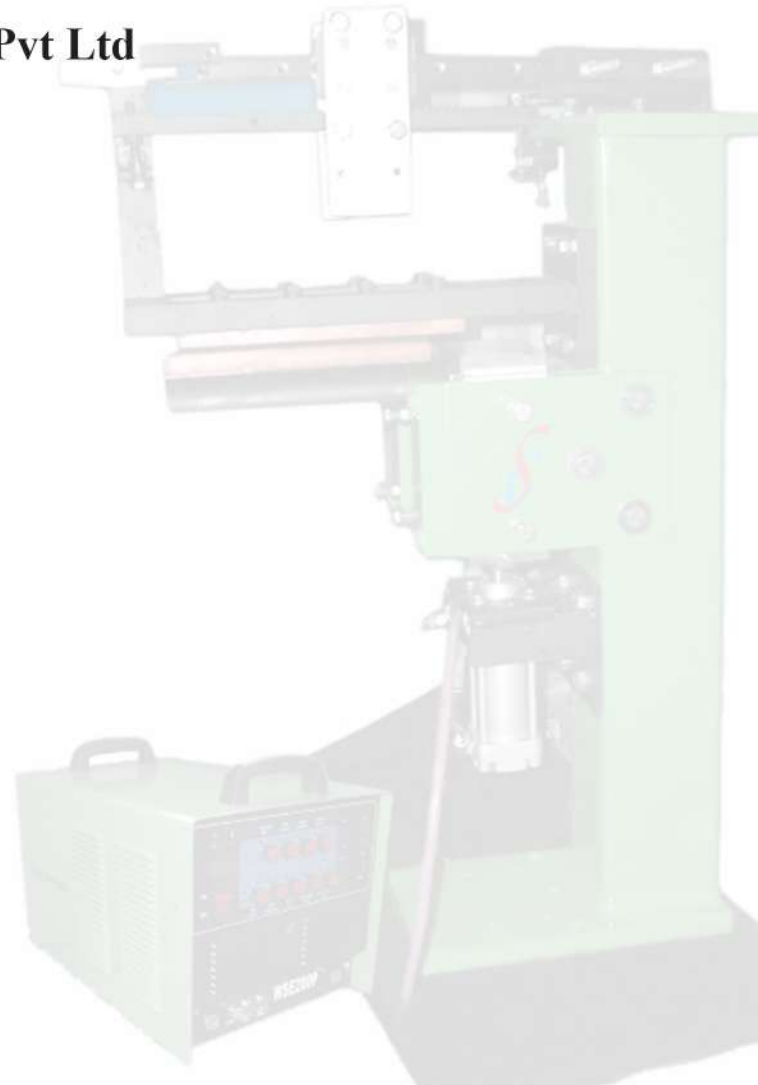

# OUR VALUABLE CUSTOMERS

- 
- **Bosch Ltd, Bangalore (Atmo 6)**
  - **Brakes India Ltd. (Chennai)**
  - **Chennai Radha Engineering Works Pvt. Ltd. (Chennai)**
  - **Whirlpool India Ltd. (Puducherry)**
  - **Beta Industries (Sicagen group)**
  - **Pennar Industries (Chennai)**
  - **Universal Engineering (Chennai)**
  - **BHEL (Hyderabad)**
  - **Trident Automobiles Pvt. Ltd. (Uttar Pradesh)**
  - **Airflow Equipments Pvt. Ltd. (Chennai)**
  - **Railtech India (Punjab)**
  - **EC Blades & Tools Pvt. Ltd. (Punjab)**
  - **JSL Architecture (Gurgaon)**
  - **Kailash Vahn Pvt. Ltd. (Chennai)**
  - **MCF (Uttar Pradesh)**

# OUR VALUABLE SUPPLIERS

- Bosch Rexroth (India) Pvt Ltd
- IGUS India Pvt Ltd
- Fronius India
- Lincoln India
- Fanuc India
- Yaskawa India
